Quarterly costs

Cost	Centre	Q1	Q2
Rent	HQ	120.0	120.0
Power	HQ	31.5	28.9
Cloud	IT	88.2	93.4

Costs rose in the second quarter, mostly from cloud usage. The finance team expects this to level off once the migration finishes. A full breakdown by vendor follows on the next page, after the commentary from each centre.

Vendor spend is shown for the same two quarters. Amounts are in thousands and include tax. Vendors under one thousand are grouped as Other. Contract renewals are flagged separately in the procurement report.

Acme	IT	40.1	44.0
Globex	HQ	22.7	21.9
Other	IT	9.3	9.8
